Recreational Program Welcome Packet

Welcome to Dance Specialties

We are delighted to have you and your dancer a part our family! We have many fun things planned for this season such as monthly class themes, holiday fun, arts & crafts, and most importantly educating your dancer or gymnast on the fundamentals of tap, jazz, ballet, lyrical, and gymnastics through our Dance Specialties curriculum.

Dance classes serve as an important developmental stepping-stone for children:

Advantages of Dance:

- Allows freedom of expression
- Promotes an active lifestyle
- Acts as a healthy outlet of energy
- Develops social skills
- Gives kids a safe place away from home
- Structured classroom environment
- Coordination and gross motor skills development

Proudly serving the Gaston County area for 45 years, Dance Specialties' mission is to provide dance education through superior training. Your dancer's success is our success!

We look forward to an unforgettable dance season together! THANK YOU for being a part of our DS Dance Family!

-DS Staff

Stay Connected

- All communication is done through email and the BAND App. Please make sure you are receiving our emails once the season begins.
- The BAND App serves as an immediate form of communication, provides you with a calendar of events, important documents, and class chat rooms. Scan the QR code below to join the BAND APP!

- Like and follow us on Facebook and Instagram for updates, pictures, and videos of your child's dance season!
- Studio Office Hours: Monday-Thursday 2:30-7:30pm

Important Events

- Belmont Christmas Parade: December 2020
- Annual Christmas Program: December 2020
- Annual Recital: June 2021

Policies

- Tuition is due by the FIRST of each month
- Sibling Discounts offered.
- Please make checks payable to Dance Specialties and be sure to note the students name on the check.
- We take debit and credit cards with a \$2 fee added.
- There is a \$20.00 late fee for tuition made after the 8th of the month. If your child is absent, you may mail the tuition to the address in the header. Students may not take class if their tuition has not been paid for the previous month.
- If a student has to drop out for any reason during the dance season and the costumes have already been ordered, you are responsible for the remaining balance of the costumes. Costume deposits are non-refundable.
- There is no deduction in tuition for classes missed due to holidays or other reasons- except extended illness.
- Fees are based on four-week months. Classes missed during the year are made up by extra sessions at parade, recital time, and months with five weeks.

Holidays & Studio Closings

- We follow the Gaston County School System schedule for major holidays such as Labor Day, Thanksgiving, Christmas, Easter, and Memorial Day.
- We do not close for teacher work days
- Inclement weather decisions will be made according to the staffs' discretion. Even when school is closed the conditions typically change by the time we start classes. All announcements will be made through Dance Specialties' social media profiles and the BAND APP.

COVID-19

As we continue to navigate the pandemic and learn what works best, we ask for your patience and understanding. We are decreasing our enrollment numbers in each class to help with our social distancing efforts. While Dance Specialties is operating under decreased capacity, it is taking double the staff to allow for sanitizing and smaller class sizes. As the NC restrictions change and gathering numbers increase two classes may be merged into one. For example, Tuesday Tiny Tots from 4:30-5:15 will have two classrooms operating during this time frame. If the gathering numbers increase this class may merge into one. Some class times may also be extended to accommodate for a larger class size. Please read the following safety procedures so you and your dancer are prepared for the first day of class! We are so grateful we are still able to provide our children with something they love.

Safety Procedures

- Staff will be taking thermal temperature readings of all dancers upon their arrival
- All dancers will sanitize their hands upon entering the building and before they exit the building
- Clean and disinfect frequently touched objects including ballet barres, gym mats, chairs, bathrooms sinks and toilets, dance floors, music equipment and surfaces and remove unnecessary frequently touched surfaces. Extra staff will always be on hand to assist with cleaning during dismissal to prepare for the next class.
- Our Lobby will remain closed during this time. Parents/Guardians will wait in their care and walk dancer to the door when the teacher is ready for check-in. Parents/Guardians will remain in the car during class time. Parent/Guardians will pick up dancer at the door. A mask is required if you have to go into the studio for any reason.
- Your dancer is welcome to wear a facemask. (Do not use a mask on children under two years old, people with difficulty breathing, or people who cannot remove the mask themselves)
- No access to water drinks/snacks sold in the office. Dancers must bring their own water bottles.
- All dancers items will be stored in a specific place while they are in the studio (distanced from other dancers' belongings) and this area will be wiped down after the dancer leaves. Each dancer will be allowed only one bag in the studio.
- If you or a family member has come in contact with someone who tested positive for COVID-19 you must refrain from attending class for at least 10 days.
